

## **MC-V414** **Commercial Upright Bagless Vacuum**

- 10 Amp Capped Commercial Motor
- Motor Protection System
- 50-Foot Commercial Cord
- Bypass Valve - Prevents Motor Damage
- 12-Inch Cleaning Path with Belt Guard
- Allergen Tower Filter
- Durable Metal Base Plate
- Large Capacity, Easy-to-Empty Dust Cup
- **Carpet and Rug Institute Approved**

**Panasonic ideas for life**

## MC-V414

## Commercial Upright Bagless Vacuum

### Motor Protection System

1. Dirt is pulled up into vacuum through a dirt channel that bypasses the fan and motor.
2. Dirt is drawn through an allergen pleated tower filter.
3. Dirty air goes through electrostatic filtering.
4. Filtered air passes through the fan and motor into room.

### Bypass Valve

Helps prevent motor damage.

### Belt Guard and Anti-Swallow Guard

The belt guard and power cord anti-swallow guard help to prevent broken belts.

### Cord Hook

The sturdy cord hook makes storing the 50-foot heavy-duty commercial cord easy.

### Dust Cup

Eliminates the need to buy bags. Virtually maintenance-free, the dust cup brings added convenience to the MC-V414.

### Foot Step Power Switch

Instead of fumbling for the power switch, you can just step and go.

### MC-V414 Specifications

#### DESIGN

Color	Black
Amperage	10.0 Amps
Motor	Capped Motor
Motor Bearing	Ball/Stainless
Cleaning Design	Motor Protection System
Cord Length	50 Feet
Outer Case	Hard Shell
Handle/Handle Grip	Chrome/Vinyl
