

Mastercraft introduces the **Enviromaster U12**. Versatile and easy to carry, this commercial upright vacuum is suited for professional results and ease of use in carpeted areas.

The powerful 1,200-watt motor deep cleans in just one pass. Unit can easily maneuver under objects - flattens to only 6½ inches. High places are a breeze to reach as well. Telescopic wand with easy grip handle and durable stretch hose extends more than 9 feet for convenient and precise above-the-floor cleaning. Readily available tool kit includes upholstery brush, dusting brush and crevice tool.

**Features:**

Powerful 1,200-watt motor. Belt driven brush drive roller spins at 4,000 RPM.

Suitable for all types of carpeted surfaces.

High impact ABS body construction.

Soft touch ergonomic adjustable handle features a caster for easy cleaning under objects - vacuum flattens to only 6½ inches.

Quick release from base unit with easy change bag compartment that seals vacuum bag before removal.

Single motor unit with motor in brush roller base for low handle weight.

Large, sturdy ergonomically placed top carry handle.

Manual brush roller carpet height adjustment.

40-ft. long quick change power cord with cord strain relief allows for 80 feet of cleaning area.

Telescopic wand with easy grip handle and stretch hose extends more than 9 feet for convenient and precise above-the-floor cleaning.

Ball bearing front and rear non-marking casters.

Attachment storage on the back of the vacuum for fast tool retrieval. Set includes upholstery brush, dusting brush and crevice tool.

Optional HEPA filters available. (#239453 & #262803)
